

ELEGANT DESIGNS HIGH QUALITY OFFICE & INSTITUTIONAL PRODUCTS

About Us

LANDMARK TECHNOLOGY is one of the leading manufacturers and DPIIT Recognised Startup India Company for modular office furniture and seating systems in India, continuing a legacy of excellence.

Our core values—Dynamism, Quality, Commitment, Service, Innovation, and a Customer-Centric Approach—have been instrumental in positioning the LANDMARK brand as a front-runner in the office furniture industry. Over the years, we have expanded in both scale and innovation. Today, LANDMARK is recognized as a dependable and preferred brand by renowned architects and major corporations alike.

The evolving nature of modern workspaces calls for dynamic solutions, and our modular furniture offerings are designed to meet these emerging needs. Modular furniture not only optimizes physical space but also enhances work efficiency by fostering the right atmosphere. Our diverse product range includes modular workstations, office desks, conference tables, executive and revolving chairs, wooden and steel storage units, computer tables, and writing/display boards—all available in various colors, sizes, and custom configurations tailored to specific client requirements.

Our state-of-the-art, 50,000 sq. ft. manufacturing facility in Sirhind (Punjab) is fully equipped with advanced machinery and a skilled workforce. We emphasize precision engineering, sourcing premium raw materials, and maintaining stringent quality control through our in-house testing labs. Our experienced design team focuses not only on aesthetics and ergonomics but also on delivering space-saving and cost-effective solutions.

As a DPIIT-Recognised Startup and a proud Make in India company, LANDMARK TECHNOLOGY is committed to driving innovation in the education technology sector. We have diversified into Smart Classroom Solutions, offering cutting-edge products such as Digital Teaching Solutions, Digital Podiums, Interactive Flat Panel Displays, and various IT-integrated education tools. We cater to a wide range of institutions and sectors including schools, colleges, universities, training centers, PSUs, hospitals, police & paramilitary forces, defense establishments, and other government and private organizations.

Delivering Value with Trust

Our manufacturing facility is certified with ISO 9001:2015, ISO 45001:2018, and ISO 14001:2015. We adhere to BIFMA standards and GREENGUARD guidelines to ensure compliance with international quality, environmental, and occupational safety standards. Every product we manufacture reflects our unwavering focus on quality and customer satisfaction.

At LANDMARK TECHNOLOGY, we are committed to delivering innovative, durable, and aesthetically superior products. Our success is built on enduring relationships based on trust and transparency—with employees, clients, and partners. We embrace a modern work culture that values ethics, innovation, and continuous improvement.

Our journey is defined by a passion for excellence, and our vision is to continue creating a value chain that benefits every stakeholder associated with us.
